- Where's the mirror again?

- Right there. ^{What's the matter} ~~Can't you~~ ^{let ten} minutes go by? ~~you have to look~~ ^{at yourself} ~~again~~

- ~~Shut up.~~ Shut up.

- They're ~~not~~ going anywhere, you know

- I know.

- Well if you know ~~then~~ why do you have to keep on staring at them?

- You're jealous.

- Yeah, sure

- Well you are. You try to act like you like 'em. And that you glad I finally got 'em. But secretly ~~you~~ you're jealous.

? - No I ain't. I'm your friend. I want you to have every thing.

- Then hand me the mirror

- O.K. [I suppose it's too much to ask you to get out of bed before you start peeping at yourself again.]

He Scared?

- ~~Go on it~~ why?

- Why you won't look in the mirror then?

- I'm lookin'!

- Are they still there?
- Uh huh - What do you mean? Are they still there where would they be?
- Wherever they were before you got 'em.
- Forever!
- Forever nothing - I remember you before you got them blue eyes. Besides Soaphead didn't say how long they'd last.
- He did too!! He said forever.
- Really? Oh well then. Why don't you relax! Every day you get up you look scarer ~~to~~ than the day before. And you keep that little mirror on you so you can keep on checking every minute whether they're there or not.
- I like to see them. They're pretty. Aren't they?... Aren't they?
- Uh huh. But why you so skittish all the time. Chally bothering you?
- Heck no. He don't come near me now. Ever since I got these blue eyes He scared of me. Stands off & looks crossed quiet at me. But don't come near.
- Every body does that what?
